PROFESSIONAL SUMMARY

Detail-oriented Accounting Associate with over 4 years of experience in record-to-report operations, operating expense accounting, journal entries, balance sheet reconciliation, and month-end close processes. Skilled in SAP, Blackline, and Microsoft Office with strong analytical, organizational, and communication abilities. Proven track record in financial reporting, audit support, and accounts reconciliation while maintaining high standards of accuracy and compliance.

PROFESSIONAL EXPERIENCE

Collections Support Associate, Accenture Inc.

Sep 2025 – Apr 2026

- Managed collection and recovery of customer receivables and outstanding debts.
- Improved cash collection performance while reducing aging accounts.
- Coordinated with customers to resolve payment-related concerns and disputes.
- Maintained accurate documentation of collection activities and account status.

Record-to-Report Ops Associate (OPEX Accounting), Accenture Inc. Aug 2022 – Aug 2025

- Performed month-end close activities including journal entries, adjusting entries, and balance sheet reconciliations.
- Prepared operating expense reports for Advertising & Promotion and Research & Development accounts.
- Responded to client inquiries and resolved accounting-related issues promptly.
- Supported internal and external audit requirements by preparing requested documentation and schedules.
- Ensured compliance with accounting policies, procedures, and reporting standards.

Collection Assistant, Festival Supermall Inc.

May 2021 – Jan 2022

- Monitored assigned customer accounts including reconciliations, adjustments, and credit memo processing.
- Prepared and sent collection reminders and statements to mall tenants.
- Assisted in reviewing and evaluating tenant repayment plan requests.
- Maintained accurate records of collection activities and customer communications.
